28 July 1966

MEMORANDUM FOR THE RECORD

Morning Meeting of 28 July 1966

[REDACTED]

25X1

Sheldon noted that portions of the Joint Imagery Interpretation Review Group report have been circulated to Agency components for comment. It was agreed that the Executive Director's office would arrange to develop an Agency position on this report.

DD/S reported that the security case involving a U. S. industrial official (mentioned at the Morning Meeting yesterday) is being reviewed by the USIB Security Committee. An in-house damage report is being prepared by the Agency, and a study of security and travel controls on contractors is under way.

DD/S reported that a Career Trainee in the Headquarters area is currently missing.

Carver reported on the status of an outgoing Department cable which he helped draft with Assistant Secretary Bundy concerning the political situation in SVN.

25X1

Warner noted that a censored version of the record of the closed Senate session has been submitted to the Congressional Record.

The Director commended for study an Agency report from [REDACTED] (IN 65003). 25X1

ACTIONS:

1. The Director asked that all future correspondence from the Agency to congressmen specify in the first paragraph the exact nature of the inquiry or subject which caused the Agency letter to be written. (OGC)
